

# Protect your customers' business from ever-changing security threats when you partner with Sectigo.

## Why Partner with Sectigo?

### Dedication

**We are dedicated to our partners.** Sectigo's best-in-class Secure Partner Program gives you access to a wide range of benefits, training, and financial rewards.

---

### Innovation

**We are a global leader in innovative security solutions.** Sectigo is the first Certificate Authority to offer a completely automated and integrated web security solution – Sectigo Web Security Platform.

---

### Passion

**We are passionate about our partners' success.** Grow your business and increase your revenue with Sectigo's Web Security Platform and the Secure Partner Program designed with your complete success in mind.

## Surround Yourself with the Best

The foundation and success of Sectigo hinges on our partner community. Our partners are at the top of our priority list always. We strive to create and maintain true partnerships built on integrity and respect. Together as partners, we will secure customers with industry-leading web security products, while accelerating mutual growth and profitability.

Sectigo's partnering principles are the foundation of our commitment to you:

- Offer innovative, channel-ready web security solutions
- Invest in programs, tools, and resources to drive growth
- Maintain a continued ease of doing business
- Drive increased partner profitability
- Sell and partner with the utmost integrity

The Sectigo Secure Partner Program is our commitment to our partners' success. Its three key components; Connect, Secure and Succeed, have all been designed to help partners grow their skills and establish highly profitable security practices.

The Sectigo Secure Partner Program offers a wide range of benefits, training, certifications, and rewards to ensure your leadership and success in the web security landscape.

Financial & Business Benefits	Marketing Benefits	Program Benefits
